#### BBC Things to do

Hi,

I am contacting you about BBC Things To Do ([www.bbc.co.uk/thingstodo](http://www.bbc.co.uk/thingstodo)) and our BBC Sport Get Inspired project. Get Inspired has been developed by BBC Sport to inspire the UK to get into sport. Throughout our coverage of The Commonwealth Games we are keen to highlight opportunities to get involved. If you run regular training sessions, club events or open days add them to Things To Do and we will promote them for you.

We promote events across BBC Sport, on the BBC Regional News Pages as well as on key programme pages. Our themed winter sports promotion for the Winter Olympics was popular with audiences and so far this year **375,000** unique visitors have clicked on sporting activities on BBC Things To Do.

We would love to work with your club to promote events to BBC audiences through BBC Things To Do and Get Inspired. It's a really easy to use site and is completely free too! To join, please click this link ([www.bbc.in/activitymaker](http://www.bbc.in/activitymaker)) to sign up and start adding your events and club sessions. I have also attached our brand new, easy to use, step-by-step user guide on how to register and add activities. If you have any questions about the process please feel to email us on [activitymaker@bbc.co.uk](mailto:activitymaker@bbc.co.uk)

Many thanks,  
Marie
